This is one of my Collateral Lines of Spurrier that does connect to my Direct Line of Anderson. Hadn't been that long ago I did this in different format so all my addresses and e-mail will be wrong.

I started doing genealogy in 1969 and all my grand parents were gone but had other members of their's could get info from. Otherwise I worked at the court house and library and cemeteries to find info that I could.

I with others spent many a week at the Ft. Wayne, IN library, Salt Lake City library, Madison, WI library and many hours at Columbia, MO library just about every year from when I started. There was 4 of us who went to Iowa City every month during the good weather but now one has moved, one has passed and the other can't get out any longer and no fun to go by your self. So decided it was time to stop. This was before the internet so didn't have that to rely on but was just as well as have found a lot of wrong info on the internet. (I can't say mine is all right either) As much of it was not able to be proven for sure so just had to go by what we could find. But if anyone has proof of what you find is wrong in any of my books I would appreciate knowing it. We know every one is not 100% right as no one is perfect, even in research. New Data June 2017-GLT

So hope these books will be appreciated and enjoyed as much as I had putting them together. But I think now is the time to turn them over to someone else to enjoy as I can't get to the libraries any longer and only the internet to rely on and that isn't as much fun as going to the places where your ancestor's walked themselves.

You will notice different address's but the one above is correct.

Wife	Sandra Ann SPURRIER
Notes	WIFE - Sandra Ann SPURRIER Married to a Christensen e-mail sandyapples@cox.net. Lives at 1651 North K. St. Apt 211, Pensacola, FL 32501 in May 2014 when she sent me info on the Spurriers. She was born 1834 and went to Davenport high school, same as I did, only was Central High then and she graduated in 1952 and I graduated in 1953. She was in Germany in 1962-65 and she met her 2nd husband Major J.J. Moris then he was a Lt Colonel in those years. He later got his Bird when we got back to the States. I met him at the Rock Island Arsenel and he was the General's pilot. Were were married about 6 mo later. A year later we were transfered to helicopter school in Mineral Wells, Texas and from there we went to Fort Eustis, VA. He must have been at the Rock Island Arsenel same time my husband Charles L. Treadway was there from abt 1961 to 1966-67. She says nothing about a first husband and believe the Christensen was her 3rd husband. Sent me copy of her yearbook school pic 1952 from Central High when she graduated and I graduated from there in 1953. Md 1: John Jerry Morris 1929-2009 Md date abt 1956-7 He was stationioned at Rock Island Arsenel at time she met him. Appears to have had 2 children Morgan Stephanie Madden Morris b.1958 and Jonathan Bret Morris b. 1960 Md 2: James Henry Madden 1932- ? Md date? Md 3: Keith Lavar Christensen 1925-2002 Md date? this info from Spurrier Family Tree on Ancestry and wasn't as clear as thought it should be.

I found the info from Charles W. Spurrier buried in Wichita, KS with 2 wives and his parents. List his parents and his siblings. One was James B. Spurrier but said he never married., he only listed 3 siblings. So followed the line of Spurrier to Ralph b. 1773 Frederick Co. MD d. 2 Apr 1848 Harrison co. OH. He married Eleanor Cleary 1784-1869 but computer decided to act up in find A Grave and so couldn't get info on her but will go back later and get it. Each direct line from Charles listed all their children and siblings as well.. Next to last line Richard C. Spurrier 1812-1887 Salem, Henry co. IA had a picture of him and one of his wife Amy Barnett Spurrier 1802-1893.

Couple had obits as well and all had pic of stones. But not a word of Rosetta Donahoe. with Charles's info.

Oh well maybe something will show up sooner or later.

Yes, I have Charles W. Ancestry back to Michael who was born in 1615 England and arrived in America 1635. It all depends on this particular Charles Spurrier.....if he's Rosa's husband, all is well. However, if Robert Lee was born in 1881.....It still poses the problem....the marriage took place in 1883.....which was about the time Anna B. Filed for divorce (which she later dropped).

I don't think Rosa was married to a James Spurrier. Hopefully, Ancestry will turn up something new. Ancestry has screwed up the direct bloodline beginning with Green Spurrier, who was the son of Susanna Green and

Are you working with a lot of family trees?

You know that's just another name thought of that situation but I don't think he ever had with Robert and Tommy. Just my Mother ever mentioned. Someone may have had him. George might tell where he was as I hadn't checked for him then. You might run do that check. Annette and Jack, under George and Robert as they could have changed his name but that seems so unlikely but if there is no George anywhere and there is a Robert maybe they did.

I wonder if Rosetta couldn't have children...she would have been in her thirties when she married Tommy. That makes it even more suspect that Robert Lee was the child born to Charles and Anna B., originally named George. And following Anna's death, was brought up by Rosa and Charles. Robert Lee was only about thirteen when Rosa married Tommy. Where did he go?
Did he ever live with Rosa and Tommy? He was about 18 when he married Minnie Perry.

You know that could be true, never thought of that situation but I don't think he ever lived with Rosetta and Tommy that my Mother ever mentioned. Someone may have had him. Census might tell where he was as I hadn't checked for him there. You might can do that under Ancestry and look under George and Robert as they could have changed his name but that seems so unlikely but if there is no George anywhere and there is a Robert maybe they did.

I hated my DHS album pic. They put orange makeup on me for the yearbook pic. It flattened out any expression. This is my 1952 same year photo.

Where and when were you stationed in Germany? We were in Hanau/Fkiegerhorst Kasem....
1962-65 (or thereabouts)..... Helicopter Battalion. Best years of my life....

My husband was J.J. Morris.....he was first a Major...then a Lt. Colonel in those years. He later got his Bird when we got back to the States. He was my second husband.....I met him at the Rock Island Arsenal....he was the General's pilot. We were married about six months later. A year later, we were transferred to helicopter school in Mineral Wells, Texas. From there we went to Fort Eustis, VA.

Looks like were getting a thunderstorm shortly..... Your weather doesn't look so great either.

Take care. Sandy

Hi Sandra,

I sure don't see anything wrong with your picture. Sure is better than mine was. You didn't look familiar now but maybe then. I like you with dark hair rather than the blond thought. You definitely look different then and now. Computer jumped so go down past your message for the rest of mine.

I hated my DHS about pic. They put orange makeup on me for the yearbook pic. It bothered me any
excursion. This is my 1982 same year photo.

Where and when were you stationed in Germany? We were in Hahn/Rheinbrunn/Karlsruhe ...
1982-85 (or thereabouts).... Helicopter Battalion. Best years of my life.

My husband was 1st Lt. Mortimer.... He was first a Major, then a Lt. Colonel in those years. He later got his B10
when we got back to the States. He was my second husband... I met him at the Rock Island Arsenal... He was
the General's pick. We were married about six months later. A year later, we were transferred to helicopter
school in Mineral Wells, Texas. From there we went to Fort Belvoir, VA.

Looks like we're getting a thunderstorm shortly.... Your weather doesn't look so great either.

Take care, Sandy

We were in Friedburg (Bad Nauheim) 1st year 1967 then 1968 we were in Mumau in southern part of Germany and really like them both but 2 yrs just wasn't long enough. But Viet Nam War came along and my late husband had a choice to go as Private or Chief Warrant Officer 2 so he chose to do that and then the kids and I came back to the house we owned in Davenport and I worked the year and then he came back and we went to Aberdeen Maryland for 2 years and that put him in his 20 years and he didn't want to stay any longer so he retired in 1971 just as my Dad was killed so he thought we should come back here to be here for my Mother and we opened a new Gas Station in downtown Bettendorf and had that till 1977 then he had back surgery and not able to work so sold the station and his two over the road trailer trucks and we moved to Texas 1978 till 1989 and Mom had married again in 1975 so we felt we could leave for while then ended up coming back here because my mother couldn't come down any more and his folks were all from around Bushnell IL and they couldn't come down either so he thought should move back up here. I thought those 6 years we were in the Army was the best years of my life as well, just wish it had been more. I met my last husband at a friends house while he was working at the Rock Island Arsenal and had just lost his wife in 1964 and I had just divorced in 1964 from the kids father after 9 yrs of mg so was a blind date and we met at Xmas and was married in April, married for 33 years lacking 1 month when he passed in 1998

Husband	Robert "Eston" SPURRIER
Wife	Helen Esther Elizabeth HUNN
Notes	HUSBAND - Robert "Eston" SPURRIER Eston was living in Davenport, IA in 1980 when I met him and he gave me info on the Spurrier family. No other later info on him however. He must have died just after I met him since was 10 Jun 1890. Not sure of the date I visited with him but was in 1980. His name was Robert "Eston" but went by Eston. Located Eston and Helen's stone in Davenport Memorial Park cem. and next to them was their son Jimmy Spurrier which was said "Beloved Son" and next to him was Mary Pat Boege said "Beloved Dau but was dau of Phyllis Spurrier and George R.. Boege, George twin to Scott Phillip Boege Not sure who they are but Mary Pat was sent to be taken care of because she had downs syndrome and her parents just couldn't take care of her with other children Sandra Christenson said. Sandra Christensen sent me info on Esten and little on other families May 2014. She was the dau of Eston. Didn't say what her mothers name was. Said Esten never talked about his mother. but I know he cared because he wantd her acknowledge on his gravestone. That didn't happen because his wife Helen Hunn, hated a woman who would abandon three little boys. So Helen Hunn was Eston's wife but not sure was Sandra's mother. As a child, she seldom saw or heard of his memories, family, stories. I know that he knew family members... but I don't know who they were. My mother had such resentment that he couldn't bring their names up in our home. He visitd his father and May regularly and cared very much for both... as well as his brothers. Clyde died young, leaving his wife, Irene England and four children, Clyde Lee, Earl, Wanda and Anna Beth. Earl Spurrier spent much time growing up with Esten Ora Elmerk, Robert Lee and May.. He is also doing a Spurrier Tree with another company and his e-mail is erlana@consolidated.net. May Wilson 2nd wife of Robert Lee Spurrier gave Esten his first cornet when he was in the orphanage. Sh recognized his gift. His best friend was Bix Beiderbecke. Eston and his two brothers were first sent to orphanage in Keokuk, IA and then sent to Davenport Iowa Orphanage, which would be the Annie Whittenmeyer Home then. WIFE - Helen Esther Elizabeth HUNN Located her stone in Davenport Memorial Park cem with husband Eston Spurrier. birth date listed on stone as 27 Mar 1903 Her daughter Sandra Christensen had Spurrier family Tree in Ancestry and she has her birthdate as 24 Mar 1903. Listed her parents and their 4 children. CHILD 2 - Sandra Ann SPURRIER Married to a Christensen e-mail sandyapples@cox.net. Lives at 1651 North K. St. Apt 211, Pensacola, FL 32501 in May 2014 when she sent me info on the Spurriers. She was born 1834 and went to Davenport high school, same as I did, only was Central High then and she graduated in 1952 and I graduated in 1953. She was in Germany in 1962-65 and she met her 2nd husband Major J.J. Moris then he was a Lt Colonel in those years. He later got his Bird when we got back to the States. I met him at the Rock Island Arsenel and he was the General's pilot. Were were married about 6 mo later. A year later we were transfered to helicopter school in Mineral Wells, Texas and from there we went to Fort Eustis, VA. He must have been at the Rock Island Arsenel same time my husband Charles L. Treadway was there from abt 1961 to 1966-67. She says nothing about a first husband and believe the Christensen was her 3rd husband. Sent me copy of her yearbook school pic 1952 from Central High when she graduated and I graduated from there in 1953. Md 1: John Jerry Morris 1929-2009 Md date abt 1956-7 He was stationioned at Rock Island Arsenel at time she met him. Appears to have had 2 children Morgan Stephanie Madden Morris b. 1958 and Jonathan Bret Morris b. 1960 Md 2: James Henry Madden 1932- ? Md date? Md 3: Keith Lavar Christensen 1925-2002 Md date? this info from Spurrier Family Tree on Ancestry and wasn't as clear as thought it should be.

I couldn't place Mary Pat as she was only 5 years old when she died.
so not familer who Phyllis Spurrier and George r. boege was or her
twin Scott Phillip

Too bad about Mary Pat. First Thought maybe Clyde C Spurrier was
Estens brother or the Charles Spurrier that md Rosetta but didn't
think that was likely. So glad to put them where they are suppose to
be Now if get the others where they belong will be happy.

You should be getting the pic of the stones as mailed them yesterday
so you can be looking for them.

What did you copy 51 pages of? that told you info on Dan 's family

Thanks,
Gladys

Phyllis is my sister.....Mary Pat was her little girl who had Down's syndrome.

I am not finding anything more on either Charles or Rosa....George or
Robert Lee. I keep checking Ancestry....but find nothing from 1883 until
1894. And I've looked in every possible place for another Charles Spurrier
that might have married Rosa.

Did you know Rosa and Tommy, when you were a little girl?

I don't recall mentioning 51 pages of Dan. I don't know of a Dan.....

I feel I've reached an impass.... My global subscription will run out in mid

July. I think I've exhausted the Ancestry resources. I can't tie Michael Spurrier (born 1615 in England) to any family in England. Charles W. Spurrier is my link to Michael Spurrier and his descendants. If Charles W. wasn't Rosa's husband, I have nothing. If he was Rosa's husband, he was a louse and a bigamist.

If Robert Lee was born to Rosa in 1881, why didn't she and Charles marry until 1883?

Very confusing. Later. Sandy

Located his stone in Davenport Memorial Park cem next to his 2nd wife May and on both stones was said "In Loving Memory" Sandra Christenson dau of Eston said Minnie Perry Spurrier left Robert Lee Spurrier with the three bys in 1911, Clyde, Robert Esten and Ora Elmer. The boys never saw their mother again. She can't find any records of her since 1910. The boys were enrolled in an orphanage in Keokuk, IA and later transferred to the Davenprt Iowa orphanage. Two of the boys lived in the orphanage until the age of 16. Clyde went to work with his father. Esten boarded with the Elkins famiy while he went to high school. His first real friend was Bix Beiderbecfke. Ora Elmer went to live with his father an stepmother, May Wilson soon after they were married. May Wilson looked after the boys in the orphanage an became close with their fathr, Robert Lee who worked nearby in Davenport and saw the boys regularly. May Wilson gave Esten his first cornet when he was in the orphanage. She recognized his gift.
WIFE	- Minnie PERRY not located her death as she left husband and children shortly after last one was born apparently. Nothing known other after that.
CHILD 1	- Clyde C SPURRIER Died young and left wife Irene England and 4 chikldren, Clyde Lee, Earl, Wanda and Anna Beth. Located his burial place in Davenport Memorial Park cem. Had listed Father then name Clyde C. Spurrier 1903-1941 Md to Irene England but not where Clyde was buried. Next to Robert Lee 1881-1945 (Clyde's father) and May Spurrier 1870-1960 (2nd wife of Robert)
CHILD 2	- Robert "Eston" SPURRIER Eston was living in Davenport, IA in 1980 when I met him and he gave me info on the Spurrier family. No other later info on him however. He must have died just after I met him since was 10 Jun 1890. Not sure of the date I visited with him but was in 1980. His name was Robert "Eston" but went by Eston. Located Eston and Helen's stone in Davenport Memorial Park cem. and next to them was their son Jimmy Spurrier which was said "Beloved Son" and next to him was Mary Pat Boege said "Beloved Dau but was dau of Phyllis Spurrier and George R.. Boege, George twin to Scott Phillip Boege Not sure who they are but Mary Pat was sent to be taken care of because she had downs syndrome and her parents just couldn't take care of her with other children Sandra Christenson said. Sandra Christensen sent me info on Esten and little on other familes May 2014. She was the dau of Eston. Didn't say what her mothers name was. Said Esten never talked about his mother. but I know he cared because he wandt her acknowledge on his gravestone. That didn't happen because his wife Helen Hunn, hated a woman who would abandon three little boys. So Helen Hunn was Eston's wife but not sure was Sandra's mother. As a child, she seldom saw or heard of his memories, family, stories. I know that he knew family members... but I don't know who they were. My mother had such resentment that he couldn't bring their names up in our home. He visidt his father and May regularly and cared very much for both... as well as his brothers. Clyde died young, leaving his wife, Irene England and four children, Clyde Lee, Earl, Wanda and Anna Beth. Earl Spurrier spent much time growing up with Esten Ora Elmerk, Robert Lee and May.. He is also doing a Spurrier Tree with another company and his e-mail is erlana@consolidated.net.

Notes

HUSBAND - Charles W. SPURRIER

Marriage record of Charles Spurrier over the age of 21 md to Rosa Donahoe over th ag of 18 yrs in Kahoka, Clark co. MO 16 Nov 1883. Yet Robert Lee said was son of Charles Spurrier and Rosetta Donahoe.

Believe he married again to Anna but maybe Anna was Rosetta as said she marrid Charles W. Spurrier on the 21 Nov 1880 in Butler Co. KS. They had one child George Spurrier agd 18 months.

She began divorce procedings shortly after they were married according to an article in paper of one Mrs Annie Spurrier and said a week after their marriage her husband Charles W Spurrer in the presnce of his mother, struck her, his wife, in the face then in Mar 1881 he took all provisions away from hr for 3 days and not let hr at. Then in MAR 1882 he choked and struck her and in April and May of same year she was lying in bed and struck her on the head with purse of with 7 dollars and a half in silver coin, injuring her severely. and treated her with the most inhuman cruelty besides refusing and neglecting to provide for her support.

WIFE - Rosetta DONAHOE

Info from Thomas's grandchildren and also info from Eston Spurrier, son of Robert Lee Spurrier who was son of Rosetta and 1st husband James Spurrier. Eston was living in Davenport 1980 when I met and talked with him.

Maybe great grandparents of Rosetta Andrew Patrick Donahue b. 1826 Ireland died 9 Jun 864 VA. or Patrick Donahue 1804-1862 and Rosa Donahue 1804-1880?

SOURCES:

BIRTH: Children, grandchildren, cemetery record and obituary and census records. Name has been written diffrent ways so not sure if Donahoe or Donahue.

MARRIAGE 1 was to a Charles Spurrier when Rosa Donahue was 18 years of age (b. 1865) and Charles Spurrier was age 21.(b. 1862) when married the 22th Nov 1883 Clark co. Marriage licence. Neither these ages would be correct as Charles was born 1858 and Rosa was born 1860

MARRIAGE: Not sure if Married 2nd James Spurrier and had one son Robert Lee Spurrier. Mr (James?) Spurrier died. 9 Nov 1893. Would have been after 1880 as living with grandmother then. 3?- Thomas Anderson in Luray, Clark Co. MO. 1894.

OBITUARY: " Kahoka Herald Gazette Clark Co. MO Apr 1947

Obituary of Mrs Thomas Anderson

rosetta Donahoe, daughter of Michael and Rachel Donahoe, was born Mar. 7, 1858 and departed this life at her home Mar 31, 1947at the age of 89 years and 24 days.

She joined the Methodist church at an early age and remained a faithful member.

She was married to James Spurrier and to this union was born Robert L. Mr Spurrier passed away nov 9, 1893.

On Dec 24, 1885 she was again married to Thomas Anderson. To this union no children were born, but she tenderly cared for and reared five stepchildren, namely, Dawson, Mrs Lulu Rude, Mrs Claudia Carter, Libourn and Mrs John A Smith of Kahoka.. She was preceded in death by her son Lee Spurrier who passed away Feb 27, 1945. Also two stepchildren, Mrs Claudia Carter and Dawson Anderson. She is survive by her devoted husband and host of neighbors and friends. Funeral services were held from the Methodist Church, Luray, Tuesday Apr 3rd at 11 o'clock, conducted by Rev. Monroe. Burial in Combs cemetery."

Also picture of cemtery stone in Combs cem. Have picture of Rosetta taken about 1941.

Believe her parents died before 1860 census in Clark Co. MO.

Notes

HUSBAND - Charles W. SPURRIER

Marriage record of Charles Spurrier over the age of 21 md to Rosa Donahoe over th ag of 18 yrs in Kahoka, Clark co. MO 16 Nov 1883. Yet Robert Lee said was son of Charles Spurrier and Rosetta Donahoe.

Believe he married again to Anna but maybe Anna was Rosetta as said she marrid Charles W. Spurrier on the 21 Nov 1880 in Butler Co. KS. They had one child George Spurrier agd 18 months.

She began divorce proceedings shortly after they were married according to an article in paper of one Mrs Annie Spurrier and said a week after their marriage her husband Charles W Spurrer in the presnce of his mother, struck her, his wife, in the face then in Mar 1881 he took all provisions away from hr for 3 days and not let hr at. Then in MAR 1882 he choked and struck her and in April and May of same year she was lying in bed and struck her on the head with purse of with 7 dollars and a half in silver coin, injuring her severely. and treated her with the most inhuman cruelty besides refusing and neglecting to provide for her support.

WIFE - Annie M. BREWINGTON

maybe 1st mg of Charles W. Spurrier as said he md Anna in 21 Nov 1880 in Butler Co. KS and they had one child George Brewington Spurrier age 18 months. Born 1881 Probably by the time she had gotten the divorce which may have been earlier part of 1883.

She started the divorce proceeding before 1833 but was dismissed and then Charles had married Rosettia Donahue and had a son Robert Lee Spurrier and somehow Charles must have got back together with Anna as Charles and Anna Brewington Spurrier and Anna M. Gerdes Spurrier all buried in same cem in KS next to each other.

Md Rosetta Donahue 16 Nov 1883 in Kahoka, Clark Co. MO. Know nothing of that contact to date. Robert Lee Spurrier's info says he is the son of Charles Spurrier and Rosetta Donahue.

Rosetta Spurrier did marry Tommy Anderson in 1893 in Clark Co. MO.

CHILD 1 - George Brewington SPURRIER

Probably about 1882 when divorce was final he was about 18 months old.

WIFE - Rosetta DONAHOE

Info from Thomas's grandchildren and also info from Eston Spurrier, son of Robert Lee Spurrier who was son of Rosetta and 1st husband James Spurrier. Eston was living in Davenport 1980 when I met and talked with him.

Maybe great grandparents of Rosetta Andrew Patrick Donahue b. 1826 Ireland died 9 Jun 864 VA.
or Patrick Donahue 1804-1862 and Rosa Donahue 1804-1880?

SOURCES:

BIRTH: Children, grandchildren, cemetery record and obituary and census records. Name has been written diffrent ways so not sure if Donahoe or Donahue.

MARRIAGE 1 was to a Charles Spurrier when Rosa Donahue was 18 years of age (b. 1865) and Charles Spurrier was age 21.(b. 1862) when married the 22th Nov 1883 Clark co. Marriage licence.
Neither these ages would be correct as Charles was born 1858 and Rosa was born 1860

MARRIAGE: Not sure if Married 2nd James Spurrier and had one son Robert Lee Spurrier. Mr (James?) Spurrier died. 9 Nov 1893. Would have been after 1880 as living with grandmother then. 37- Thomas Anderson in Luray, Clark Co. MO. 1894.

Just looked up Charles W. Spurrier in Family Search and found him in 1900 census in Morton Twp, Cheney city, Sedgwick, Kansas at age 42 and married abt 1899 to Anna M. Spurrier age 23 b. Kansas. Said he was born May 1858 in Iowa and parents born in OH. Married 1 year. Also said he was a Plater of brick, mason. They had no children then.

Info in Family search also said he was born May 1858 in Salem, Henry Co. IA I

His parents were Thomas B. Spurrier and Rachel Lavina Woodmansee and they were in Henry Co. IA and have the Spurrier line through several lines .

But back to Charles, W. If he was the father of Robert Lee Spurrier as he says he was and if he was born in 1881 he would have to have been born before Rosetta and Charles W. in 1883. And under all info could find on Charles W. in Kansas he had only married two Anna's and never mentioned Rosetta or Robert Lee.

Find A Grave does have birth as 27 May 1858 Salem, Henry Co. IA and died 14 Feb 1936 in Sedgwick co. Kansas. Buried in Highland cem, Wichita, Sedgwick Co. KS Plot: Sec 4 , lot 330, grave 6. Wife Anna Gerdes same cem grave 5 died 9 Feb 1936 and other wife Anna m. Brewington d. 8 Sep 1887 and also buried same plot in grave 7.

So guess have to find later census records to see if there were any other children.

So till we can find some more proof on Charles W. Spurrier he has to be the one in Clark co. Mo and before that in Henry Co. IA where his parents were. Married actually 3 times instead of 2?

Thanks again for the info you sent .

Later,
Gladys

Just looked up Charles W. Spurrier in Family Search and found him in 1900 census in Morton Twp, Chertsey city, Sedgewick, Kansas at age 42 and married age 1885 to Anna M. Spurrier age 33 b. Kansas. Said he was born May 1853 in Iowa and parents born in OH. Married 7 years. Also said he was a Father of black, mason. They had no children then.

Info in Family search also said he was born May 1852 in Salem, Henry Co, IA.

His parents were Thomas B. Spurrier and Rachel Laura Woodhouse, and they were in Henry Co, IA, and have the Spurrier line through several times.

But back to Charles W. He was the father of Robert Lee Spurrier as he says he was and if he was born in 1851, he would have to have been born before Robert's mother Charles W. in 1853. And under all info could find on Charles W. in Kansas he had only married two Annas, and never mentioned Robert or Robert Lee.

Find A Grave does have birth as 27 May 1858 Seward, Henry Co, IA and died 14 Feb 1935 in Sedgewick Co, Kansas. Buried in Highland cem. Winfield, Sedgewick Co, KS Plot Sec 4, lot 330, grave 1. Wife Anna. Charles same cem grave 2 died 2 Feb 1938 and other wife same m. Buried in d. 2 Sec 1887 and also buried same plot in grave 7.

So guess have to find later census records to see if there were any other children.

Hi, I haven't found any obit on Rosetta. According to the marriage license, it was definitely a Charles Spurrier. And according to Robert Lee's info, too. Nothing else fits..... I did see one or two other Charles'....but dates and historical records didn't mesh. I don't know how the James Spurrier came into the Anderson tree...but I found nothing to validate that. I've often found, in checking family trees that dates haven't been checked out. I know that it's easy to do. Sometimes my head spins.

Thanks for the info on Tommie Anderson. You are a fountain of detailed info. I don't know how you do it....

Hi, I haven't found any info on Robert. According to his message board, it was definitely a Charles Spitzer and not according to Robert's last info, but nothing else for I did see one or two other Charles, but none and not sure if they were the same. I don't know how the James Spitzer came into the mix, but I know nothing to suggest that the Spitzer family has that dates haven't been checked out. I know that is easy to see. I'm sorry my head aches.

In 1871 he moved to this county with his family and settled upon a farm near here and since that time has been known quite well in Wichita.

Notes

HUSBAND - Richard C. SPURRIER

Family tree from Sandra Christensen which listed Richard Spurrier as son of Thomas B. Spurrier 1832-1908. His mg to Amy Emma Barrett was 20 Oct 1831 age 19 OneThomas John Spurrier b. 1887 listed as first child so not known who he belongs to. Richard's next married to Eliza ? Spurrier 5 Apr 1835 at age 22 and they had 3 children, first one 1835, 1836, 1839. But this doesn't fit with the history of Richard and Amy as said they had 7 children born from 1832 thru 1843 2 dau's and 5 sons... And the ones said were Eliza's were listed as Richard and Amy's children.

I think at this time there was no second marriage (GLT)

Find A Grave site listed his birth, death date as 20 Sep and places, parents names, children, siblings and spouse. Pic of him and of his gravestone and one of his wife.. Calculated from birth to death his death would be 30 Sep 1887, 75 yrs 25 days of age at death. These children and birth and deaths and who they married was also from Find A Grave and also Historical Collections of Henry Co. IA.

Article from the Historical Collections of Henry Co. IA, pg 481 published shortly after his death.

"Richard Spurrier, deceased, of Salem, Iowa. he was born in Harrison Co. Ohio, 5 Sep 1812. He was the son of Ralph and Eleanor (Cleary) Spurrier. They were both natives of Maryland and both lived and died in Ohio. (Ralph & Eleanor) They had five sons and six daughters, six of whom are now living, Samuel, who resides in Clearfield, IA and is the resident physician; Warner, who resides at New Lisbon, Linn co. IA and is married to a cousin of the late President James Garfield; Matilda, who married George Heberling, a farmer of Harrison Co. OH; Mary A, who married Hezekiah Harrison, now deceased; and resides in New Lisbon; Elizabeth, who is the widow of John Matson and resides in Nebraska; Richard, our subject married in Cadiz, Oh in 1831 to Miss Amy Barrett. She was the daughter of Thomas and Margaret Barrett who were Quakers and natives of Virginia. They removed from that state to Ohio, where the Barrett brothers came to get their entry of land.

In 1842 Richard and wife, came to Iowa by way of the Ohio and Mississippi rivers. In Iowa they located 14 miles north

Death: 22 Feb 1911 in Lamoni, Decatur Co., Iowa

Birth: 23 Feb 1839

Burial: 24 Feb 1911 Rose Hill Cemetery, Lamoni, Decatur Co., Iowa

Note:

William Henry Spurrier is reported as born on 23Feb1839, dying 22Feb1911

and purported to be the son of Hosea and Elizabeth Wilson.

Elizabeth was

supposed to have been born circa 1786 which would have made her 54 years

of age on William's birth. Though not impossible, it is improbable.

William apparently sired a whole line of descendents with his wife

Sarah

Jane CAMMACK born 18Jul1843. It is likely that Elizabeth's

DOB is

incorrect.

Notes

HUSBAND - Ralph Leek SPURRIER
They had 5 sons and 6 daughters.

Find A Grave site list his birth and death dates and places but burial is unknown probably in Harrison Co. OH, spouse and parents. and children

From different sources the birth dates of some of the children is off by couple years. As is Eleanor d. 1862 or 1869.

WIFE - Eleanor CLARY

Find a grave site listed her birth and death dates and places and burial place and spouse, parents and children. Name listed as Eleanor Cleary Spurrier.

I have taken the Cleary family back many generations believe from Family search.
this info listed Eleanor Cleary b. 1784 and died 2 Jun 1862 and parents Benjamin and Catherine Clary and 11 siblings all named Clary

CHILD 1 - Richard C. SPURRIER

Family tree from Sandra Christensen which listed Richard Spurrier as son of Thomas B. Spurrier 1832-1908. His mg to Amy Emma Barrett was 20 Oct 1831 age 19 One Thomas John Spurrier b. 1887 listed as first child so not known who he belongs to. Richard's next married to Eliza ? Spurrier 5 Apr 1835 at age 22 and they had 3 children, first one 1835, 1836, 1839. But this doesn't fit with the history of Richard and Amy as said they had 7 children born from 1832 thru 1843 2 dau's and 5 sons... And the ones said were Eliza's were listed as Richard and Amy's children.

I think at this time there was no second marriage (GLT)

Find A Grave site listed his birth, death date as 20 Sep and places, parents names, children, siblings and spouse. Pic of him and of his gravestone and one of his wife.. Calculated from birth to death his death would be 30 Sep 1887, 75 yrs 25 days of age at death. These children and birth and deaths and who they married was also from Find A Grave and also Historical Collections of Henry Co. IA.

Article from the Historical Collections of Henry Co. IA, pg 481 published shortly after his death.

"Richard Spurrier, deceased, of Salem, Iowa. he was born in Harrison Co. Ohio, 5 Sep 1812. He was the son of Ralph and Eleanor (Cleary) Spurrier. They were both natives of Maryland and both lived and died in Ohio. (Ralph & Eleanor) They had five sons and six daughters, six of whom are now living, Samuel, who resides in Clearfield, IA and is the resident physician; Warner, who resides at New Lisbon, Linn co. IA and is married to a cousin of the late President James Garfield; Matilda, who married George Heberling, a farmer of Harrison Co. OH; Mary A, who married Hezekiah Harrison, now deceased; and resides in New Lisbon; Elizabeth, who is the widow of John Matson and resides in Nebraska; Richard, our subject married in Cadiz, Oh in 1831 to Miss Amy Barrett. She was the daughter of Thomas and Margaret Barrett who were Quakers and natives of Virginia. They removed from that state to Ohio, where the Barrett brothers came to get their entry of land.

Husband	Ralph Leek SPURRIER
Wife	Eleanor CLARY
Notes	CHILD 1 - Richard C. SPURRIER (Continued) In 1842 Richard and wife, came to Iowa by way of the Ohio and Mississippi rivers. In Iowa they located 14 miles north of Iowa City, where they remained for 18 months before coming to Henry County. Richard farmed a short time and then clerked for a time for John Andrews, a merchant of Salem, until 1853. He then took an overland trip to California with an ox team. He had cholera while enroute. He tried mining for awhile and then returned to Iowa about 1856. He was sick for one year with Panamas fever. He was engaged in the mercantile trade until he died on 30 Sep 1887. Mr and Mrs Spurrier had seven children, two daughters and five sons, Thomas, who married Lavinia Woodmansee and resides in Wichita, KS; John, who died at age two years; Mary, now deceased, who married Thomas Rook; William H. who resides in Decatur Co. IA and is husband of Jane Cammack; Ralph C. who married Josephine Barton and also resides in Decatur County. They have section of excellent land that adjoins that of Joseph Smith, the Mormon Elder's son; Joseph, the only one born in Iowa, died at age 8, a victim of the first cholera epidemic in Salem. Thomas and Ralph both enlisted in Co., D, 14th Iowa Infantry. Ralph was wounded at Shiloh. Richard had resided in Salem since 1845, and was a member of the Salem Lodge #48 of the I.O.O.F. and was a member of Salem Lodge # 17 of A.F. & A.M.,. He was the president of the Old Settler Association of Henryk, Lee, Van Buren and Jefferson Counties. He was 75 years and 25 days of age when he died. He is buried in the Salem Cemetery, by the Masonic and I.O.O.F. Fraternities." This article says death was 30 Sep 1887 and was 75 yrs and 25 days of age.

RICHARD SPURRIER.

Added by: [Doug Lind](#)

From the "Historical Collections of Henry County, Iowa" page 481, published shortly after his death:

"Richard Spurrier, deceased, of Salem, Iowa. He was born in Harrison Co., Ohio, 5 Sept. 1812. He was the son of Ralph and Eleanor (Cleary) Spurrier. They were both natives of Maryland, and both lived and died in Ohio. They had five sons and six daughters, six of whom are now living. Samuel, who resides in Clearfield, Ia. and is the resident physician; Warner, who resides at New Lisbon, Linn Co., Ia. and is married to a cousin of the late president James Garfield; Matilda, who married George Heberling, a farmer of Harrison Co., Oh.; Mary A., who married Hezekiah Harrison, now deceased, and resides in New Lisbon; Elizabeth, who is the widow of John Matson and resides in Nebraska; Richard, our subject, married in Cadiz, Oh. in 1831 to Miss Amy Barrett. She was the daughter of Thomas and Margaret Barrett who were Quakers and natives of Virginia. They removed from that state to Ohio, where the Barrett brothers came to get their entry of land.

In 1842, Richard and wife, came to Iowa by way of the Ohio and Mississippi rivers. In Iowa they located 14 miles north of Iowa City, where they remained for 18 months before coming to Henry County.

Richard farmed a short time and then clerked for a time for John Andrews, a merchant of Salem, until 1853. He then took an overland trip to California with an ox team. He had cholera while enroute. He tried mining for awhile and then returned to Iowa about 1856. He was sick for one year with Panama fever. He was engaged in the mercantile trade until he died on 30 Sept. 1887.

Mr. and Mrs. Spurrier had seven children, two daughters and five sons, Thomas, who married Lavinia Woodmansee and resides in Wichita, Ks.; John, who died at age two years; Mary, now deceased, who married Thomas Rook; William H. who resides in Decatur Co., Ia., and is husband of Jane Cammack; Ralph C., who married Josephine Barton and also resides in Decatur County. They have a section of excellent land that adjoins that of Joseph Smith, the Mormon Elders' son; Joseph, the only one born in Iowa, died at age 8, a victim of the first cholera epidemic in Salem. Thomas and Ralph both enlisted in Co. D, 14th Iowa Infantry. Ralph was wounded at Shiloh.

Richard had resided in Salem since 1845, and was a member of the Salem Lodge #48 of the I.O.O.F. and was a member of Salem Lodge #17 of A.F.& A.M. He was the president of the Old Settler Association of Henry, Lee, Van Buren and Jefferson Counties. He was 75 years and 25 days of age when he died. He is buried in the Salem Cemetery, by the Masonic and I.O.O.F. Fraternities."

Birth: Jul. 18, 1843
Salem
Henry County
Iowa, USA
Death: Sep. 26, 1916
Lamoni
Decatur County
Iowa, USA

w/ William Henry Spurrier
d/ Levi & Elizabeth Frazier Cammack

From the Lamoni Newspaper, 1916:
"One of the most loved and respected citizens of this city passed away last Tuesday, when Mrs. Sarah Jane Spurrier departed this life at her home on W. Eighth St., at the age of 73 years, 2 months and 5 Days She has suffered intensely for years and her late illness during which she was bedfast most of the time has continued for about two years. She was with her daughter, Mrs. Elizabeth Mumma, of Iola, Kansas for some time, but returned to her own home in this city five months ago, and her son, F.O. Spurrier and family have been caring for her since that time. All that loving hands and kind hearts could do for the comfort and happiness of their mother was done by each of her children. She has made her home much of the time with her daughter, Mrs. Gertrude Briggs of this city.

For the past year she has constantly been under the care of a patient and efficient nurse, Mrs. S.J. Malosh of Iola, Kansas who came here with her patient five months ago. Mrs. Spurrier was born in Salem, Henry County, Iowa, on July 18, 1843. There she grew to womanhood and was married on December 16, 1858 to W.H. Spurrier. To them were born six children: N.B. of North Platte, Nebraska; Frank O. of Scottsbluff, Nebraska; Sanford Hugh, who died at the age of two years; Elizabeth Mumma of Iola, Kansas; Richard, who passed away about eleven years ago; and Gertrude Briggs of this City. All were present at the funeral except N.B. Spurrier. He having met with a serious accident recently in which he received a compound fracture in the bones of his limb and other injuries of back and head, so that he is now confined in the hospital at Colorado Springs.

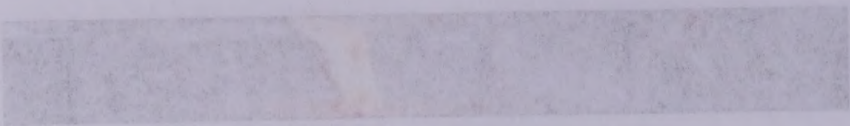

Mr. and Mrs. Spurrier came to Decatur County over forty years ago and settled on what is know as the Irvin Bathe farm. Ten years later they removed onto what is still known as the Spurrier section where they resided until nine years ago when they came to town and retired in the home where both of them passed away. Mrs. Spurrier was a wonderfully good mother, her life being one of unselfishness and sacrifice for her children and she will always be remembered with most tender reverence by her family and all who knew her. She was a member of the Baptist Church, being baptized about ten years ago. (She was a birthright

Origin and History of Howard Co. MD-pg 316

Baltimore to Georgetown with the Old Road from Annapolis to Frederick, he established an inn known as Spurrier's Tavern and later as Waterloo Inn.

The fourth son of Thomas Spurrier was Captain Edward Spurrier of the Maryland Continental Line. At the outbreak of the American Revolution, Edward Spurrier was commissioned as ensign in the Flying Camp and went to New York, where he participated in the Battle of Long Island. In December 1776 he became a lieutenant in the 4th Maryland Regiment. After fighting in various battles in New Jersey and Pennsylvania, he was promoted to the rank of captain and transferred to the 3rd Maryland Regiment, with which he served until the end of the war in 1783. He received bounty lands near Cumberland, Maryland, for his services. He was an Original Member of the Society of the Cincinnati. Captain Spurrier married Ann Griffith, daughter of Joshua Griffith of Orlando. He died in Frederick County in 1797.

Green Spurrier, oldest son of Thomas Spurrier left a large number of children, who acquired lands in the Howard County area extending as far as Sykesville. Other brothers were William, Joseph, and Thomas. The last-mentioned continued to operate Spurrier's Tavern, which became an important stopover point for travelers between Baltimore and Washington. General George Washington was a guest at Spurrier's Tavern on several occasions and recorded in his diary that his favorite white horse died there. The Spurriers married into leading families of Queen Caroline Parish, including Warfields, Ridgelys, Griffiths, and Hoods. Later generations went to Ohio and further west.

TALBOT

The Talbot family of Maryland was founded by Richard Talbot, who settled on the shores of the West River in Anne Arundel County in 1649. Historically, the Talbots, whose name was sometimes spelled Talbott* are descended from Sir Richard Talbot, Earl of Shrewsbury ca. 1500. The line has been traced back several prior generations to Sir Richard Talbott, 1361-1396. The Talbots are probably of Norman origin and were important during the reign of Henry II. Certainly there were many Normans among

Thomas Spurrier (son of [William Spurrier](#) and [Elizabeth Turner](#))^{3763, 3764, 3765, 3766} was born 14 Mar 1701/02 in St.peters Parish, Talbot, Md.^{3767, 3768, 3769} and died Abt. 1792 in , , Md.^{3770, 3771, 3772} He married (1) [Susanna Green](#) on Abt. 1736, daughter of [Richard Green](#) and [??? Margaret](#). He married (2) [Venetia Green](#) on 1738 in Probably in Anne Arundel Co., Md, daughter of [Richard Green](#) and [??? Margaret](#).

Notes for Thomas Spurrier:

Thomas is the first Spurrier on whom an extensive record is preserved. We feel confident that he is the only surviving son of William. But he left no will and no parish records covering his marriage or children have ben found. SIA, 1974

On page 20 of the records of St. Peter's Parish, Talbot County, MD is the entry: Thomas Spurrier, Son of William Spurrier and Elizabeth, his wife, was born March 14, 1704." SIA, 1974

Thomas was a planter; he farmed two parcels of about 240 acres in Anne Arundel County. (Area is now Howard County according to Harold S. Tyler) He may have been orphaned and lived with his Grandfather Turner. Turner gave him 40 acres in 1724 at age 20. (HST)

Edward Turner, Senior, planter of Talbot County, MD, the father of Elizabeth (Turner) Spurrier mentioned his grandson in his will. The will executed on the 29th day of the third month called May (sic) 1716 provides: "I give unto my grandson, Thomas Spurrier, 40 acres of land adjoining to my son Joseph Turner's Part." This tract was called John's Hills. The rest of Turner's land amounting to 400 acres he left in five equal parts to his sons, William, Edward, Thomas, John and Joseph. The will mentions his wife, Anne, but does not mention his daughter, Elizabeth nor any other daughters. (Bk 15, p 124 Talbot Co. wills) SIA, 1974

He owned for most of his life the 40 acres of land in Talbot County let to him by his grandfather's will. SIA, 1974

Thomas had a tract of land near boundary of Howard & Montgomery Counties 6 or 8 miles west of Food Plenty. In July 1736 Thomas held pew 24 in

He owned for most of his life the 40 acres of land in Talbot County let to him by his grandfather's will. SIA, 1974

Thomas had a tract of land near boundary of Howard & Montgomery Counties 6 or 8 miles west of Food Plenty. In July 1736 Thomas held pew 24 in Queen Caroline Parish Church. All children were born in Queen Caroline Parish. The church was located on a tract called New Year's Gift and it was about halfway between SPURRIER'S LOTT and Food Plenty. The surviving records of this parish are meager indeed and contain no record of the marriage of Thomas or of the birth of his children, a pity since such a record would have been very helpful in understanding the early history of this family. We assume that Thomas was married in 1736 or thereabouts and that his children were born in Queen Caroline Parish over the next 23 years. SIA, 1974

In 1724 at the young age of 20 Thomas was appointed by the court to partition a tract of land between Rebecca and Turner Reynolds. The tract was called FOOD PLENTY and it lay in the Huntington hundred near the southern edge of what is now Howard Co. and not far from the intersection of the Baltimore Washington Pike with the Old Annapolis Road. The original patentee of this tract had been Thomas Reynolds. The name "Turner" Reynolds suggests that the heirs may have been related to the Turners of Talbot County and this relationship may have been the basis of Thomas's selection for appointment. Moreover the presence of these supposed relations may account for young Thomas settling in this area. Thomas Spurrier's own tract was surveyed for him in 1728. Patent Book AM1 p260. It was called Spurrier's Lott and lay in the upper fork and bear Ground Hundred near the present boundary of Howard and Montgomery Counties and some six or eight miles west of FOOD PLENTY. "By virtue of a warrant granted to Noal Clark of Anne Arundel County out of His Lordship's land office bearing date of the 7th day of August 1723 for 161 acres of land and renewed and made in force in his Lordship's said office on the 21st day of October 1727, the said 161 acres of land warrant was on the 26th day of March 1728 assigned by the said Noal Clark unto Thomas Spurrier of this county as appears. These are therefore to certify that I, Henry Ridgely, Deputy Surveyor of Anne Arundel County, by virtue of a commission granted to me by Charles Calvert Esq when Governor of this Province being date of 19th day of June 1727, have laid out for the said Thomas Spurrier a tract or parcel of land called Spurrier's Lott lying and being in the said county aforesaid near the head of the Drafts of a great branch leading into Snowden's River of Patuxent. [Follows legal description] containing and now laid out for 190 acres more or less. Surveyed March 28, 1728 by Henry Ridgely." SIA 1974

The patent on this tract was issued to Thomas Spurrier Dec. 19, 1732 (Bk PL 8 p 759) SIA, 1974 In 1730's records show Thomas serving on a jury. Shown in 1792 census of Anne Arundel County. (HST)

His first wife, Susanna Green, died in childbirth with their first child, Green, and then he married her sister Venetia. (WR)

The birth date of Green (3) Spurrier of December 20, 1737 is preserved in his family Bible. The date of birth of Joseph is compute from a deposition given by Joseph (bk NH 8 p 520). In the deposition dated March 7, 1797 Joseph "aged about 44, son of Thomas deceased" deposes in connection with a stone marking the boundary on one of his father's tracts, of which, incidentally he is then the owner. The birth dates assigned to the other sons are

His first wife, Susanna Green, died in childbirth with their first child, Green, and then he married her sister Venetia. (WR)

The birth date of Green (3) Spurrier of December 20, 1737 is preserved in his family Bible. The date of birth of Joseph is compute from a deposition given by Joseph (bk NH 8 p 520). In the deposition dated March 7, 1797 Joseph "aged about 44, son of Thomas deceased" deposes in connection with a stone marking the boundary on one of his father's tracts, of which, incidentally he is then the owner. The birth dates assigned to the other sons are approximate, based on other information about them. These dates are not inconsistent with the hypothesis that Venetia Green was Thomas's wife. She would have been 16 in 1737 and 39 in 1760 and we know she was living in 1761. SIA 1974

We can also be sure that he had a wife named "Veneshier". In 1761 she waived her dower rights in a parcel of land sold by Thomas. We think "Veneshier" is a corruption of "Venetia". SIA, 1974

That Joseph(9) was a son of Thomas (2) is evidenced by a deposition of Joseph's in 1797 in which he is identified as "son of Thomas, deceased". (N.H. 8 P 520) Richard (8) received by deed along with Joseph an undivided one-half interest in the lifetime real estate holdings of Thomas (2) (N.H. 4 p 106) and is certainly a son of Thomas and a brother of Joseph. SIA 1974

The lives of William and Edward indicate that they were brothers. They married girls who were step sisters and probably brought up together. And a descendant of Green's, Addie Florence, calls descendants of Thomas "cousins". SIA 1974

During the 1730s the name of Thomas Spurrier is mentioned several times in the County records in connection with his service as a juror and once in connection with a road being cleared near his plantation. SIA 1974

On July 28, 1733 Thomas Spurrier and McCubbin Reynolds became sureties for Anne Dorsey, Administratrix of the estate of her late husband Charles Dorsey, in the sum of 200 lbs Sterling. At August Court 1734 the two sureties petitioned the court for relief. They asserted that Anne was remarried to one John Martin and they feared that Martin would waste the estate. SIA 1974

In 1761 the name Thomas Spurrier Jr. appears the first time in the records, providing a basis for the assumption that he was born about 1740. Thereafter Thomas (2) is usually referred to in the records as Thomas Spurrier Senior and he is sometimes so designated in legal documents. SIA 1974

In 1764 Thomas (2) bought a parcel of land called Grimes Venture from James Grimes and his wife Rachel. (Bk BB 3 p 285) The tract comprised about 51 acres and it adjoined Spurrier's Lott on the east. James Grimes signed by making his mark. In 1778 Thomas signed the Oath of Fidelity, signed also by Thomas, Jr. In 1783 he was assessed for his real estate holdings. On June 20, 1788 Thomas (2), now aged 84, sold his two tracts of land, Spurrier's Lott and Grimes Venture to his sons, Joseph and Richard. This disposition may have been related to the bankruptcy taken by sons William and Edward in 1788. In the Federal Census of 1790 Thomas (2) aged 86 was recorded as the head of a household. The count is 3-1-2-0-1, meaning that there were in the household three males over 16, one under 16, and two females. There was one negro slave. Thomas (2) evidently died between 1790 and 1794. On May 14, 1794, Richard Spurrier, "son of Thomas late of Anne Arundel County" mortgaged his undivided one-half interest in the two tracts that had belonged to his father. (NH 7-559). SIA 1974

Thomas (2) is consistently referred to in the records as a "planter". He was evidently a respected and respectable member of the community and a man of energy and modest wealth. He farmed two parcels of about 240 acres located in the southwestern part of what is now Howard County, then Ann

Arundel. In 1790 he had one negro slave. His education must have been limited for he signed legal documents with his "mark", a large "T". SIA 1974

Thomas died intestate about 1792. He is counted in the census of 1790 and is referred to and "the late" Thomas in 1794. Thus he lived to be somewhere between 86 and 90 years of age. SIA, 1974

Birth: Mar. 14, 1704

Death: 1792

An entry stating that "William Spurrier and Elizabeth Turner married February 7, 1702" appears in the records of St. Peter's Parish, Talbot 3 county, page 8, reproduced on microfilm M295. On page 20 of the same record is the entry: "Thomas Spurrier, son of William spurrier and Elizabeth, his wife, was born March 14, 1704."

Added by: Alan M. Wenger

SPURRIERS IN AMERICA report he died intestate about 1792, counted in the 1790 census but referred to as the "late Thomas" in 1794.

One family tree researched indicated that Thomas had a son John born in 1755 who allegedly married a Susanna Green born in 1703, which does not sound likely. This would likely be his aunt (or mother) because Susanna was reported to be the sister of Venetia who was married to Thomas as well (marrying one sister after the other died).

Information from SPURRIERS IN AMERICA: Thomas' grandfather, Edward TURNER, left Thomas 40 acres of land adjoining Edward's son, Joseph's land in his will which was executed on "the 29th day of the third month called May 1716 (sic). The land was named "John's Hills" in Book 15, page 124, Talbot Co. MD. Thomas would have been 15 years old at the time. Thomas sold the land 03 Nov 1773 at the age of 69, (reportedly by deed to Joseph Turner, who would have been his uncle.)

Deed: recorded in Old Saint Paul's Church, Baltimore, MD. Thomas moved to MD, purchasing land in both Anne Arundel Co, MD, and at Indian Landing in Baltimore Co. First wife purported to be unknown and second and third wives, Susanna and Venetia GREEN, were sisters.

Deed: Thomas had 240 acres of land at SW Howard Co., then part of Anne Arundel Co. In 1740, he apparently owned 1 negro slave. It is possible he was orphaned at an early age and lived with his grandfather, Edward TURNER. Thomas SPURRIER's land surveyed 28 March 1728 by Henry Ridgely. was called SPURRIERS LOTT and lay in Upper Fork and Bear Ground Hundred near the present boundary of Howard and Montgomery counties. An adjoining 51 acres to the east of SPURRIERS LOTT (called GRIMES VENTURE) was purchased in 1764 from James and Rachel GRIMES. Both properties were sold to sons Joseph and Richard.

Thomas was a tavernkeeper on the OLD POST

Birth: May 1721 in Maryland

Death: Aft. 1761

Baptism: 21 May 1721 All Hallow's Parisch, Anne Arundel, Maryland

Note:

Thomas is reported to have married Venetia in 1738 at an u/k location, therefore making her the second wife, if Susannah's son, Green, was born in 1737. This would tend to make more sense than another report that she had married Thomas in 1736 in Anne Arundel Co., MD as this would have been just prior to the birth of Green in 1737. She was alive as late as 1761, having waived her dower rights on a parcel of land sold by Thomas

Birth: Abt. 1740 in Anne Arundel Co., Maryland

Death: 6 Jan 1801 in Anne Arundel Co., Maryland

Birth: Abt. 1740

Note:

SPURRIERS IN AMERICA reports that this William was for some thirty years,

the owner and operator of SPURRIERS TAVERN, a famous hostelry located at

the intersection of the Baltimore-Washington Pike and the Old Annapolis

road. This spot is also called annapolis Junction and later was called Waterloo. It is about 14 miles outh of Baltimore on US 1.

George Washington often spent the night at SPURRIERS TAVERN and noted the

fact along with his tab and the condition of the roads (bad) in his journal.

SPURRIERS IN AMERICA further advises that in 1788, William and Edward

Spurrier found themselves in fainancial straits, so on June 11 of that year, William conveyed to his eldest son, John, what appears to be all of

his personal property (NH3 p 456). Enumerated in the transfer are slaves:

Tony, Nick, Jacob, Mingo, Ben, Acquila, Ned, Dick, Phil, Tull, Hagar,

Sam, Sue and Dorcas; 6 horses, 14 cows, 7 sheep, 20 hogs, 16 featherbeds,

24 chairs, 6 tables, 1 chest and 1 desk. Property would appear to be much

of the contents of SPURRIERS TAVERN..... In Oct, 1788, William acknowledges bankruptcy.

WASHINGTON's memorandums mention Spurrier's Tavern:

"Nov19,1790 The roads are infamous. No hope of reaching Baltimore tonight."

"Sep11,1795 Breakfasted at Baltimore, dined and lodged at Spurrier's"

"Oct14,1795 Lodged at Spurrier's"

Notes from "Spurriers In America" c. 1974 by
 Hamlin:

Fact 1: The origins of William Spurrier are not known. We have not found mention of very many persons with this surname in America of an age to be his possible ancestor. As a basis for possible further research we mention here the record of a man named Theophilus Spurrier who, with his wife, Sarah, lived in Philadelphia in the early 1700s. Sarah died there in 1735 and he died "March 3, 1737, also at advanced years." If we read advanced years as meaning a man between 60 and 80 years of age, we may infer that Theophilus was born between 1657 and 1677. Since William must have been born about 1680 or earlier in order to be old enough to marry in 1702, it would be possible in respect of time that Theophilus was either the father or brother of William. There is also record of a Tripas Spurrier having been "transported" in 1675, presumably as a bonded servant. Tripas, most likely would have been born before 1660. In connection with Theophilus it is noteworthy that a second man with this unusual name is listed in the 1790 census of Rockingham County, NC (couldn't be the same person, he died in 1737). The identity of name invites speculation that Theophilus Spurrier in NC was in some way descended from the man of the same name in Philadelphia.....Also to be considered in this connection is the statement of Warner Spurrier that his Spurrier ancestors "scattered in several states, to wit: Ohio, Virginia, Kentucky and Carolina". Taken together these facts can be interpreted as basis for a hypothesis that the Maryland family and the North Carolina family have common American origins.

Fact 2: Except for the record of his marriage and the birth of his two children we know very little about the life of William Spurrier. Neither do we know the time and circumstances of his death.

Fact 3: An entry stating that "William Spurrier and Elizabeth Turner married February 7, 1702" appears in the records of St. Peter's Parish, Talbot County, Page 8, reproduced on microfilm M295.

Fact 4: On page 20 of the same record is the entry : " Thomas Spurrier, son of William Spurrier, and Elizabeth, his wife, was born on March 14, 1704."

Burial:

In the book "CAVALIERS AND PIONEERS, ABSTRATIONS OF VIRGINIA LAND PATENTS AND GRANTS", it states that Richard Pierce patented (claimed) land in James City County, Virginia, for bringing Michael Spurrier and some other people to the colonies 12 September 1636. Michael is also mentioned in "EARLY VIRGINIA EMIGRANTS 1623-1666" by George Cabel Greer p310. "EARLY SETTLERS OF MARYLAND 1623-1680" Library 15, Folio 356, Hall of Records-Annapolis, Anne Arundel County, Maryland--mentions a "Tripas Spurrier". It is possible that there was a Michael Senior--or a Tripas as father to Michael.....

The Petition of Elizabeth Spurrier being read at the Board Viz.

To the Honourable Edward Lloyd Esq^r President of the Province of Maryland & Keeper of the Great Seal thereof

The humble Petition of Eliz Spurrier a Prisoner in the Goale of the City of Annapolis

Humbly Sheweth unto your Honour that your poor Petitioner has been tried & Arraigned this last Provincial Court p. 872 for murdering a Live Male Infant born of her Body that your Petitioner protesting she was a married Woman pleaded not guilty thereto.

That a Jury was Empannelled to try her & the Evidence that came or could be produced against her could make nothing appear against her but that she was delivered of a Child which Child was found dead tho no mortal Wounds or even the least Signs of any such appeared on the Body of the Child. That the Council having then Spoke for your Petitioner that such Evidence was not Sufficient Law to maintain the Indictm^t being an Indictm^t at common Law & not on the Statute in that Case made & provided Your Petitioners Council & all other Standers by unconcerned seemed to understand that the Court and Jury also were of that opinion Which occasioned your poor Petir^r who could only Speak to facts to forbear giving in Evidence to the Court & Jury that she was a loansome Woman having none near her but men

and consequently unfit for being present at her Delivery and U. H. J. also to give in Evidence her Marriage with one William Spurrier and that he is yet alive together with many other true Allegations which might (duly notified) have given the Jury just Reasons to acquitt her of the fact laid to her charge. The Jury found a Verdict against your poor Petitioner in the Words following.

We of the Jury find Elizabeth Spurrier guilty of having a Bastard Child & concealing the Death of it, on Which the Court gave Judgem^t of Death

That your Petitioner is advised & hopes your Honour who p. 873 represents the Queen the Fountain of all Mercy & Justice on this side the Grave, and whose glorious Reign is most remarkable for that as well as other her pious just merciful and charitable administrations to her people will be so far of that opinion that the said Verdict does not in any wise come up to maintain the said Indictment.

That your Honour in mercy and tender Consideration of your poor Petitioners Ignorance and deplorable Condition will be pleased to grant her a Reprieve from an Execution of the said Judgement until the Queen's Pleasure with the Advice of her Councils and Judges be known touching the Premises And your poor Petitioner (as in Duty bound) will ever pray & Also the following Endorsment thereon
